

Summer Reading Assignments 2017

The following is a list of the required summer reading books for each grade level. The books were chosen specifically for each class and will be referenced throughout the school year. Classroom discussions, questions and tests will refer back to the required novels. Both novels should be completely read before the school year begins.

Students will also need to keep a journal while reading each novel. The journal should include a summary of each chapter with personal reflection included, as well as one quote from each chapter with an explanation on how it relates to the book and why you chose that particular quote. The journal may be hand-written or typed, however a physical copy must be turned in on the first day of school.

If you would like to read a different book, that is fine as long as you also read the required books. If you have any further questions, please email me at elisa.dufresne@lhssd.org or elisa.dufresne@victorysouthbay.org.

Enjoy your reading and have a great summer!
