

Facing the possibility of an unplanned pregnancy and the parenting of young children can be a unique and difficult time in a woman's life.

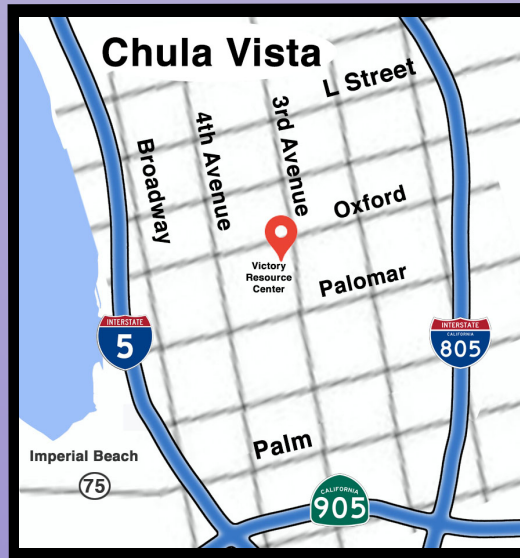

Victory Resource Center is here to provide referrals, resources and support to women and their families in our community. All services are offered free of charge and are entirely confidential.

Our center accepts donations of gently-used children's clothes, maternity clothes, small baby items, toys, books, infant formula and monetary donations. We are a non-profit 501(c)(3) organization and your donation is tax-deductible
