

SPREADING

Love, Hope & Joy

To Our Amazing Supporters & Partners,

As we turn the calendar and renew our hope and prayers for the year to come, we take a moment to reflect with deep gratitude on the huge impact that you – our community – had on the Victory Resource Center and its clients in 2021.

Your involvement took many forms – each special, valuable and needed. For some it was volunteering their precious time, while for others it was providing material support. You enabled us to grow our impact in the community and touch the lives of more clients than ever.

In 2021, our all-volunteer staff served nearly 5,000 people from more than 1,000 local households. We welcomed 78 new babies from clients into this world, distributed more than 65,000 diapers and more than 15 tons of food, along with clothing, baby formula and vital connections to local social-service organizations. And with your support we grew, serving more than twice as many individuals and families in December 2021 as we did in December 2020.

On behalf of the Victory Resource Center, thank you for making a difference and touching the lives of thousands of our neighbors in their moments of need. We look forward to continued partnership and an even greater impact in the South Bay in 2022.

With gratitude,

Darlene Chier

LOVING OTHERS

the family up to God.
