Note of Thanks

Dear Victory Family,

I am still in shock and totally in awe of the amazing honor that you have bestowed upon me and my family. My first reaction is, "*what?!*" Recognition is not why I give or serve. God has so richly blessed my life. He has provided for me always, and for many years He has bestowed blessings to me that I could not have ever imagined. He has given me my time, talents, and treasure, and He has used the ministries of Pilgrim Church and School, Lutheran High, Church of Joy, and now Victory to bless me and my family beyond what words can express. All I did was return a part of all that he has given me back to Him. So many people serve in many different ways, so I am overwhelmed with gratitude that you would choose to honor me in this amazing way. God has truly blessed me and has increased my blessing with my Victory Family. I would like to humbly thank all of you and the leadership team for this great honor.
